## Important Information for Camp Summer Better than Others and Camp PeeWee:

Camp groups are made the week before the start of each session. Counselors will be calling the parents of all campers a few days before the camp week starts to let them know what room to report to. Once your child is assigned to a group, you can assume that they will be with that group for the duration of their camp experience.

Children should be brought to their assigned rooms no earlier than 9:10 a.m. During drop off and pick up times, parents are required to accompany their child to his/her group and sign in, as well as sign out at the end of the day.

If your child is to be picked up by any other adult, a note stating this needs to be given to your child's counselors in the morning.

Children should wear sneakers and comfortable clothing to camp. There is also a snack time for campers each day. Please send snacks in containers clearly marked with your child's name. In keeping with the Brookfield Public School's policy, snacks containing peanuts or tree nuts are not permitted at camp in order to keep those campers with severe allergies safe.

## From the Director

Wow what a Winter! As I write this (on March 7<sup>th</sup>, 2011) there is finally no snow in the forecast for the first time in like...two months. I am hopeful that the earth will eventually "thaw" that fields & trails will eventually "firm- up" and that spring will eventually *get here already!*

Late this spring we can't wait to break ground on the first phase of the Still River Greenway! This first piece is funded with an 80% matching grant from the State which means the Town pays 20% of the cost of this project. Although initially a small piece of the overall project, the goal remains a two mile paved path along the Still River Corridor. Breaking ground on this project is a giant step in the right direction, and will put us in a better position for additional funding sources in the future to actually build out this entire project.

It is this Department's responsibility to develop and offer a wide variety of quality recreational, educational, cultural, and special events to the public at the lowest possible cost while servicing all age groups in the Town. We are dedicated to providing a variety of introductory programs, special events, and enrichment programs for all ages in an effort to change lives for the better and build a stronger community. We believe that our youth, teens, adults & seniors all have a niche that if discovered will enhance their lives and make Brookfield an even better place to reside.

We are pleased to present our Spring/Summer line up of Programs, Activities, Adult Education, Trips and Special Events. Your Recreation and Park / Grounds staff continue to maximize the Department's limited resources by improving upon Brookfield's recreational programs and facilities.
